Directory Img-MyTiki Files

All of the icons shown in the following image are located in the **img/mytiki** directory.

Directory img/mytiki//				
				
admin.gif	bookmarks.gif	files.gif	messages.gif	minical.gif
				
modules.gif	myfiles.gif	mytiki.gif	mywatches.gif	news.gif
				
notes.gif	prefs.gif	tasks.gif	webmail.gif	

These files can be displayed with the following syntax:

{img src=img/mytiki/NAME} where NAME is the name of the file.

Note: Punctuation is important! The difference between MyTiki and mytiki may seem minor - but - the difference is **File Not Found**
