Directory Img-WebMail Files

All of the icons shown in the following image are located in the **img/webmail** directory.

Directory **img/webmail//**

attachment.gif	clip.gif	compose.gif	contact.gif	edit.gif
flagged.gif	help.gif	logout.gif	mailbox.gif	replied.gif
search.gif	settings.gif	view.gif		

These files can be displayed with the following syntax:
{img src=img/webmail/NAME} where NAME is the name of the file.

Note: Punctuation is important! The difference between WebMail and webmail may seem minor - but - the difference is **File Not Found**
