

Module Google AdSense

This [Module](#) adds a Google AdSense advertisement to your Tiki. To use this module, you must have a Google AdSense key. See <https://www.google.com/adsense> for more information.

A [screenshot](#) is needed here.

Parameters

Displays a text/image Google AdSense advertisement. This module should be updated to support new Google code.

*Required parameters are in **bold**.*

[Go to the source code](#)
